

Video Dept

This covers common procedures related to video department.

- [Lens / Camera Settings](#)

Lens / Camera Settings

Settings should always remain as follows,

1. **Shutter speed at 1/125**
2. **1080P 60F Capture / Recording (4K can affect focusing)**
3. **Focus mode should be 1-Area centered and NOT Auto as they will cause focus hunting**
4. **WB 3900K if background is Blue / Magenta or 3600K if background is Orange / Blue**
 1. **A-B: 0, G-M: 0**
5. **Picture Profile (PP2)**
 1. **Saturation -2**
 2. **All else default or 0**
6. **Tracking Sense**
 1. **Set to 4**

• 24-70mm f2.8
